	Rachmie,	we	re -	member	this	De -	cember,	seems	too	short.		
Your	D	E	Dbm	Gbm	Bm	Abm	Db					
Song	pre -	vails	through	glacial	gales,	brings	sunshine	in	our	port.		
	D	E	Dbm	Gbm	Bm	E	Amaj7					
When	Streetlights	fade	and	morning	grey	falls	softly	on	our	bight		
	D	E	Dbm	Gbm	Bm	Abm	Db					
In	this	chill	you	triumph	still,	we	see	your	face	so	bright.	
	D	E	Dbm	Gbm	Bm	E	Amaj7					
	Rachmie,	oh	dear	Rachmie,	on	our	fjords,	our	cliffs,	our	hills!	
	D	E	Dbm	Gbm	Bm	Abm	Db					
In	our	minds	your	tale	a	-	bides	through	winter	storms	and	stills.
	D	E	Dbm	Gbm	Bm	E	Amaj7					
When	Streetlights	fade	and	morning	grey	falls	softly	on	our	bight.		
	D	E	Dbm	Gbm	Bm	Abm	Db					
In	this	chill	you	triumph	still,	we	see	your	face	so	bright.	

Rachmie, we remember this December, seems too short. Your
Song prevails through glacial gales, brings sunshine in our port.

When
Streetlights fade and morning grey falls softly on our bight
In this chill you triumph still, we see your face so bright.

Rachmie, oh dear Rachmie, on our fjords, our cliffs our hills.
In our minds your tale abides through winter storms and stills.

When
Streetlights fade and morning grey falls softly on our bight.
In this chill you triumph still, we see your face so bright.
